2011 - 2012 K – 12 Parental/Guardian Commitment Form

As parents/guardians of a student at New Covenant Christian School we commit ourselves to the following:

- A. To support the beliefs of *New Covenant Christian School's* Statement of Faith and abide by the *New Covenant Christian School* Parent-Student Handbook.
- B. To pay our tuition faithfully according to the following options:

_____ 12 monthly payments, August through July.

_____ Full payment on or before August 10, 2011 (2% tuition discount)

Any other option must meet the approval of the school administration. We recognize that families who become three (3) months in arrears with tuition must get caught up in their payments immediately or withdraw their children from *New Covenant Christian School*, and that all families must have their tuition and other financial obligations to *New Covenant Christian School* paid in full by July 31st each year. We recognize that final grades/diplomas and New Covenant student records will be held until accounts are paid in full, and that outstanding obligations need to be paid before a child can begin a new term. Should we fail to meet our tuition obligations or our fund-raising obligations (see below) by the end of the sixth month following the cessation of our relationship with *New Covenant Christian School*, without having established a payment plan with the administration, we give our consent for *New Covenant Christian School* to pursue collection.

We agree:

- C. To pray regularly for *New Covenant Christian School*.
- D. To give financially beyond our tuition as we are able. We recognize that the tuition does not cover the total cost of our student's education, and we will commit our time and talents toward the success of *New Covenant Christian School*.
- E. To be involved in our child's education through attendance at parent-teacher conferences and meetings, other activities of the school, and through helping our child with schoolwork as needed.
- F. To deal with problem situations and disagreements according to the principles outlined in Matt.18:15-17.
- G. To cooperate with the administration and faculty in all areas of discipline.
- H. To participate in fundraisers to the level of \$400.00 per each student enrolled. This is an obligation beyond tuition. This can be done through any of the following:

_____ Paid in one lump sum at the beginning of the school year.

_____ Paid per student in 12 installments included with monthly tuition through the months of August through July.

_____ Use the various fundraisers. Accounts will be set-up for each family and credits given.
